

Bisley

WORKWEAR

FOOD INDUSTRY & FREEZER RANGE

PROTECTIVE CLOTHING THAT KEEPS YOU **SAFE AND WARM**

Bisley Workwear has been protecting workers in varying industries and climates for over 60 years.

Our customers trust the Bisley brand and have confidence that all garments are designed with innovation at the forefront as well as being manufactured using the best quality fabrics and materials.

FOOD INDUSTRY RANGE

In the food processing industry, the uniforms are never just for show.

They play an important role in ensuring the safety of the workers and the products they handle.

The team at Bisley designed this range with that in mind.

FREEZER RANGE

It doesn't matter what the temperature is outside – working in a cool room or freezer means you are in the cold no matter the season. Bisley's freezer range is designed not only to keep you warm, but it's also designed to increase productivity and reduce injury.

Like all Bisley garments the Freezer range is built to withstand heavy wear and tear and most importantly to get the Job Done!

FOOD INDUSTRY & FREEZER RANGE

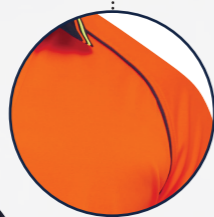

Waste2Wear® supplies innovative textiles made from recycled plastics traced with blockchain technology to provide indisputable evidence that Waste2Wear® fabrics are really made from plastic waste, and that no subcontracting is taking place.

MOISTURE CONTROL WHEN IT MATTERS

Hydrophilic garments pull perspiration away from your skin to the outer layer of the fabric where it is able to evaporate faster, leaving your skin fresh and without excessive perspiration.

TRADITIONAL FIT

Workwear garments are traditionally bigger in terms of fit compared to fashion or casualwear.

Bisley garments are well known for their generous fit, providing greater comfort and movement when you work.

The ease for Traditional Fit shirts is 23cm.

MODERN FIT

Bisley Modern Fit shirts are half size smaller than the Traditional Fit. Bisley Modern Fit pant is lower waisted and slightly slimmer in the leg.

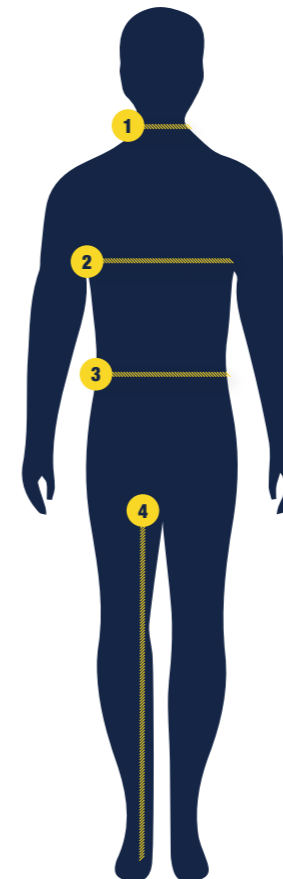

The ease for Modern Fit shirts is 19cm.

EASE

Ease is the amount of excess volume in a garment needed for regular body movement.

It is the difference between body measurement and garment measurement. Having ease is very important because this added volume allows you to breathe, move your arms forward, bend your elbows, sit, walk, and do all your normal daily activities in comfort and without restriction.

- 1 NECK:** Measure around the neck where the top of the shirt collar would sit.
- 2 CHEST:** Standing naturally, measure around the fullest part of the chest and shoulder, under the arms with your arms at resting position.
- 3 WAIST:** Measure over undergarments at the natural waistline (usually approx. 1cm below the navel).
- 4 IN-LEG:** Measure from crotch to floor, with shoes.

CUSTOMER SUPPORT

Bisley Workwear has established an extensive distributor network throughout Australia, New Zealand, Papua New Guinea and other international locations.

DISTRIBUTOR SUPPORT INFORMATION

QUALITY GUARANTEE

Bisley Workwear garments are sourced, manufactured and tested by independent laboratories, to Australian Standards which ensure consistency of product and workmanship. Each Bisley Workwear garment is labelled with a barcode and identifying order numbers (to meet AS/NZS 4602.1:2011) so we can quickly trace the production processes used to manufacture your product, identify the issue and resolve it immediately.

This exemplary quality control process allows us to replace any garment which does not meet your quality expectations once you return it to us for inspection.

CORPORATE IDENTIFICATION

The Bisley Workwear Product team can help you develop a corporate identity that sets you apart from the rest. We can monogram, embroider, heat transfer or screen print your company logo onto almost any piece of Bisley Workwear clothing. Contact our Customer Service team or your local Sales Representative for further information.

Corporate identification may also entitle you to claim a tax deduction for your business. The Bisley Workwear Product team can provide you with information to ensure tax deductibility on your wardrobe.

BACK ORDERS

Stock service goods will be kept on back order at the customer's request.

MINIMUM ORDERS

All orders above \$150 (ex. GST) will be delivered freight free. All orders below \$150 (ex. GST) will attract a surcharge of \$15.

CUSTOMER SERVICE HOURS

Sydney, Australia (8.15am - 5.00pm),
NZ (8.00am - 4.30pm), WA (8.00am - 4.30pm)

PRIORITY DELIVERY

For urgent deliveries, Bisley Workwear can provide a priority service where freight charges are calculated by Size, weight, destination and speed of service required. Any additional charges are indicated on your order confirmation.

RETURNING PRODUCT

For all distributor initiated returns (where the customer has made an ordering mistake), a claim must be made within seven (7) days from receipt of the goods. An AUD\$20.00 (NZ\$10.00) handling fee will apply. Goods will only be accepted if they are in their original packaging and condition, free of any markings and damage. The customer will be required to pay for the freight back to the Bisley Workwear warehouse from which the goods were dispatched (Sydney/ Perth/ Darwin or Auckland). The original invoice number must be supplied before any claim can be processed.

WE WILL NOT ACCEPT THE RETURN OF GOODS IF

- Goods are damaged in the washing machine or dryer due to care instructions having not been followed correctly
- Goods suffering from normal wear and tear
- Goods that have been shop soiled or have discoloured due to lengthy periods of time in the store
- Goods that are discontinued products
- Goods that have had a customer-approved value-add, including embroidery, printing or custom taping

WE WILL CONSIDER CLAIMS FOR

- Goods damaged or lost in transit
- Goods that are faulty or defective as a result of faulty workmanship or materials

A Returns Authorisation Number (R.A.N.) must be obtained by contacting the Bisley Workwear Customer Service team who will explain the full returns process. Any goods sent without a R.A.N. will be returned to the customer at their cost. Bisley Workwear will accept freight charges on returned goods provided the return has been duly authorised by a company representative and the goods are returned via the carrier nominated by Bisley Workwear.

OUR CORE BELIEF

We create the best uniform solution with the best workwear to get the Job Done.

Every Job. Every Day.

WHY WE BELIEVE IT

Huge range for every job our customers do.

Functional designs created for specific jobs and customer requirements.

Unparalleled quality that keeps our customers coming back.

HOW WE SAY IT

JOB DONE:

Is the story of getting your hands dirty, never shying away from hard work, of being a part of the team, and doing whatever it takes to get it done.
